Digital Assessment Library for University Student Mental Health

Do you have the tools to stay on top of anxiety, depression, suicidal ideation, and other mental health challenges facing your students today?

Every institution of higher education is dealing with a student mental health crisis. In an effort to make sure any college student struggling with mental health issues can be identified, Pearson has built the Digital Assessment Library (DAL) for University Student Mental Health.

**DIGITAL
ASSESSMENT
LIBRARY**

Delivered online through Pearson's Q-global® platform, **this library of digital assessments has been designed as an affordable, unlimited-use subscription so that college counselors and student mental health professionals have access to the highest quality mental health assessments at a flat, worry-free annual cost** without concerns about additional fees (or running out of response booklets).

Features include:

- 11 standardized mental health assessments (*see backside*)
- Access to Q-global web-based digital administration, scoring, and reporting
- Unlimited number of users and administrations
- One simple, annual price for use with the entire student population
